PREMIUM STANDARDS (VILLA ESTATES)

Premium standards do not need to be accompanied by a premium price. Compare our value, with 8' flat ceilings, massive cabinets, stainless steel appliances, extra large windows and Shaw® residential carpeting, against any competitor and you will find that no one can give you the same value for your hard-earned dollar. Some coaches even qualify for free options, like under-cabinet lighting and LED strip lighting at the awning, LG® Solid Surface countertops, over-sized stainless steel sink, central vacuum, and more. (Limited time only. See your local Salem dealer for details.)

VERSATILE FLOORPLANS

Why struggle with purchasing a bunk room, or single bedroom trailer, when you can have a full scale 4092BFL loft model? Enjoy camping with friends, children, and relatives without sacrificing space, or privacy. With ample countertop space, a full island with LED accent lighting, and a massive living room, you can entertain your guests in style, and also enjoy your private time, without the wasted space of a typical bunkhouse!

24/7 EMERGENCY ROADSIDE ASSISTANCE

For a worry-free ownership experience Forest River includes one year of Coach-Net RV Technical & Roadside Assistance with each RV purchase. Whether new to the RV lifestyle or an experienced RV enthusiast, Forest River owners have 24/7 access to technical, operational and emergency road service coverage throughout the US & Canada. Coach-Net's fast, dependable service is just a phone call away.

Coach-Net®

RV Technical & Roadside Assistance

Forest River, Inc. encourages our customers to purchase their Forest River products from a local dealership whenever possible for the following reasons:

- 1) Forest River, Inc. dealers are independently owned and operated businesses so priority service and scheduling is at their discretion and is often provided to customers that purchased their unit at that dealership.
- 2) Purchasing locally allows customers to establish meaningful relationships with a dealer, enhancing the RV experience through assistance with product questions, user tips or RV regulations for your state or country, and much more!
- 3) Canadian customers must meet requirements to bring an RV purchased out of the country to their home. These requirements may involve additional inspections and certifications, taxes and fees. Your local Canadian Dealer is a professional at meeting these requirements.
- 4) Scheduling timely warranty repairs and adjustments through a local dealership provides far greater flexibility and convenience to you, the customer!

It is the goal of Forest River, Inc. that all of our RV owners fully enjoy the RV experience and that customer satisfaction meets or exceeds their expectations!

PRE-DELIVERY INSPECTION FACILITY
